Remarks

There's a lot to love about this 4 bedroom, 2.5 bath home, starting with a bright, open layout that just works. Tile runs throughout the main living areas, with carpet in the bedrooms for a little extra comfort. The kitchen is open to the dining and living spaces and features white cabinetry, granite countertops, stainless steel appliances, a large island with seating and plenty of room to gather. The bedrooms are nicely sized, and the primary suite offers a spacious bath with dual sinks and a generous walk-in closet. Outside, the backyard is already finished for you with synthetic turf, and pavers plus a double gate for added flexibility. Decorative stone accents out front, rain gutters and a clean, well-cared-for feel throughout make this one easy to settle into and enjoy.
